

Feast of Justice Programs

Feast of Justice has 3 types of food programs: Community Cupboard, Senior Boxes and Baby Supplies.

The **Community Cupboard program** (non-perishable and perishable food packages) ALL OUTSIDE

1. Please remember to maintain social distancing and wear masks when possible. We want to keep our community safe!
2. There is only one line. The first hours of distribution are reserved for appointments. Please wait at the designated spaces. Please do not come before your scheduled time. Everyone receives the same food, regardless of your number in line.

	Appointments	no appointment (walk-up)
Tuesdays	9:00-12:00	12:00-1:00
Saturday mornings	10:00-12:00	No Walk-Ups
Saturdays	1:00-3:00	3:00-4:00

3. Guests can not save space for others or leave carts or other objects to save your place.
4. All guests must be registered and have a Feast of Justice card. All cards will be scanned, so we can track your usage of the program. All guests also need to show their photo ID. If you send a proxy person to pick up your food, that person must have their Photo ID.
5. Guests can come to receive food up to 2 TIMES a week, but only **ONE CAN BE WITH AN APPOINTMENT**. The second visit must be as a walk-up. If a guest comes more frequently, our system will block them from receiving food.
6. There is no parking on Sackett Street. That space is reserved for loading food. You may bring your car there AFTER you receive your food to load only, not to wait for your food. NO ONE can use the driveway.
7. Please do not leave food or boxes in the driveway or on other people's property. Guests should take all the food given. If you can't use it, give it to a neighbor who can.

Making an Appointment for Food Distribution

Guests can make an appointment online, through either a computer or a smartphone at <https://www.feastofjustice.com/>. Once you have requested an appointment, you will receive an email that it is pending approval. Once we confirm your eligibility, a confirmation email is sent to you. Please do not submit a second request while the confirmation is pending. You will also receive a text message reminder one day before your appointment. Further directions to make an appointment are on the website or ask a volunteer for information in your language.

Senior boxes

Senior boxes are available to those who have been approved by the state to receive a box. Guests must be 60 years old or older. and meet income level requirements. Ask a volunteer for more information or look on our website for details. This is for any family member listed in the household. The boxes are available from the 2nd through the 4th weeks of the month on a first come basis. Guests may only receive one box each month.

The **Baby Supplies program** (diapers, baby supplies, and feminine products)—These are given out at distribution times.

1. Only registered Feast of Justice guests with babies listed in their registration can receive diapers and baby supplies. Guests must show their Feast of Justice registration card and it will be scanned in to determine the number of eligible children. There is NOT a separate line; guests will receive their diapers when they are signed in for food.
2. A household can only receive diapers ONCE a week.
3. Each registered child will receive one pack of diapers.
4. Adult diapers and Feminine pads and products are also available upon request.

Coming Soon

Feast of Justice is working to bring more programs to our guests. We will post information as new programs begin. You can watch for them on our website, feastofjustice.org, [Facebook](#), and email announcements. We will also distribute flyers at food distribution. If we don't have your email, send us your name and address to info@feastofjustice.org

Re-registration or Renewing Cards

We are now renewing all guests. Guests with temporary cards need to complete their registration before their card expires. Those with white cards are asked to renew their cards also. If you are concerned about coming in during COVID, please let us know. You can find directions to complete registration on our website or ask a volunteer for information when you come for food. The Head of Household must be the person to come renew their card and must show a photo ID, date of birth and TWO items with your name and current address.

Guests may request an appointment at info@feastofjustice.org or in person when signing in for food.

SNAP Enrollment

The federal SNAP program helps low income families with food support at local grocery stores. We are working on an event where you can apply for SNAP on site--with bilingual counselors available to provide assistance. Keep watch for details.

Volunteers

We are looking for volunteers to help with our food programs. **We especially need volunteers who are bilingual** and can help with translating. Volunteers may sign up at the times that are convenient to their schedule. Those who are interested may sign up to volunteer on our website: feastofjustice.org. For more information contact Abby at volcoord@feastofjustice.org.
