

# SUPPORT FEAST OF JUSTICE

*Northeast Philly food pantry & non-profit*

## DONATE!

(WHAT WE NEED MOST RIGHT NOW)

### Give a cash gift:

Steady gifts of cash allow us to be aware of our capacity in advance and plan our budget accordingly. Your generosity turns into long-term support for both us and our guests!

### Impact of your gift:

Food pantries need MORE than just food to operate. With your help, we can sustain the consistent work that food pantries require **beyond** food:

- maintaining and paying for food storage, fridges, vans, & distribution spaces to ensure high quality of food
- hosting educational programs that create long-term solutions for guests
- recruiting, coordinating, and training our volunteers
- and more!

To learn more, visit our website:

### HERE'S THE ISSUE

Federal government cuts to food assistance programs and restrictions on SNAP benefits are driving more families to need help.

- ★ This fall of 2025, we've welcomed over **900 new families** to our food distributions - a **30% increase**.
- ★ Food banks, due to program cuts, are struggling to keep up with the increased demand.

## VOLUNTEER!

## FOOD DRIVE!

### How you'll help:

Volunteers lead our food distributions, participate in food restocking, create a safe space for community, and much more!

### Try us out:

Curious? Sign up for a shift! We welcome **all** ability levels.

### How you'll help:

If you cannot donate money or time, host a food drive! Set out a box at your workplace or community center, where community members can drop off food and non-food home essentials.
